# BASIC INSTRUCTIONS

## PAPER

The best paper to use for origami will be very thin, keep a crease well, and fold flat. It can be plain white paper, solid-color paper, or wrapping paper with a design only on one side. Regular typing paper may be too heavy to allow the many tight folds needed for some figures. Be aware, too, that some kinds of paper may stretch slightly, either in length or in width, and this may cause a problem in paper folding. Packets of paper especially for use in origami are available from craft and hobby shops.

Unless otherwise indicated, the usual paper used in creating these forms is square, 15 by 15 centimeters or approximately 6 by 6 inches. Some forms may call for half a square, i.e., 3 by 6 inches or, cut diagonally, a triangle. A few origami forms require a more rectangular size or a longer piece of paper. For those who are learning and have a problem getting their fingers to work tight folds, larger sizes of paper can be used. Actually, any size paper squares can be used—slightly larger figures are easier to make than overly small ones. The paper provided within this gift set is 6 by 6 inches, easy to work with for origami novices.

## GLUE

Use an easy-flowing but not loose paper glue. Use it sparingly; don't soak the paper. A toothpick makes a good applicator. Allow the glued form time to dry. Avoid using stick glue, as the application pressure needed (especially if the stick has become dry) can damage your figure.

## TECHNIQUE

Fold with care. Position the paper, especially at corners, precisely and see that edges line up before creasing a fold. Once you are sure of the fold, use a fingernail to make a clean, flat crease. Don't get discouraged with your first efforts. In time, what your mind can create, your fingers can fashion.

# SYMBOLS & LINES

valley fold

mountain fold

Cut line

Turn over  
or rotate

Fold then unfold

Pleat fold  
(repeated  
folding)

Crease line

## SQUARING OFF PAPER

1. Take a rectangular sheet, and valley fold diagonally.

2. Cut off excess on long side as shown.

3. Unfold. Sheet is square.

# BASIC FOLDS

## KITE FOLD

1. Fold and unfold a square diagonally, making a center crease.

2. Fold both sides in to the center crease.

3. This is a kite form.

## VALLEY FOLD

1. Here, using the kite, fold form toward you (forward), making a "valley."

2. This fold forward is a valley fold.

# MOUNTAIN FOLD

1. Here, using the kite, fold from away from you (backwards), making a "mountain."

2. This fold backwards is a mountain fold.

# INSIDE REVERSE FOLD

1. Here, using the kite, valley fold closed.

2. Valley fold as marked to crease, then unfold.

3. Pull tip in direction of arrow.

4. Appearance before completion.

5. You've made an inside reverse fold.

## OUTSIDE REVERSE FOLD

1. Using closed kite, valley fold and unfold.

2. Fold inside out, as shown by arrows.

3. Appearance before completion.

4. You've made an outside reverse fold.

## PLEAT FOLD

1. Here, using the kite, valley fold.

2. Valley fold back again.

3. This is a pleat. Valley fold in half,

4. You've made a pleat fold.

## PLEAT FOLD REVERSE

1. Here, using the kite form backwards, valley fold.

2. Valley fold back again for pleat.

3. Mountain fold form in half.

4. You've made a pleat fold reverse.

## SQUASH FOLD I

1. Using inside reverse, valley fold one side.

2. You've made a squash fold I.

## SQUASH FOLD II

1. Using closed kite form, valley fold.

2. Open in direction of the arrow.

3. Appearance before completion.

4. You've made a squash fold II.

## INSIDE CRIMP FOLD

1. Here, using closed kite form, pleat fold.

2. Pull tip in direction of the arrow.

3. You've made an inside crimp fold.

## OUTSIDE CRIMP FOLD

1. Here, using closed kite form, pleat fold and unfold.

2. Fold mountain and valley as shown, both sides.

3. You've made an outside crimp fold.

# BASE FOLDS

Base folds are basic forms that do not in themselves produce origami, but serve as a basis, or jumping-off point, for a number of creative origami figures—some quite complex. As when beginning other crafts, learning to fold these base folds is not the most exciting part of origami. They are, however, easy to do, and will help you with your technique. They also quickly become rote, so much so that you can do many using different-colored papers while you are watching television or your mind is elsewhere. With completed base folds handy, if you want to quickly work up a form or are suddenly inspired with an idea for an original, unique figure, you can select an appropriate base fold and swiftly bring a new creation to life.

## BASE FOLD I

1 Fold and unfold in direction of arrow.

2 Fold both sides in to center crease, then unfold. Rotate.

3 Fold both sides in to center crease, then unfold.

4 Pinch corners of square together and fold inward.

5 Completed Base Fold I.

## BASE FOLD II

1. Half fold

2. Valley fold

3. Squash fold

4. Turn over to other side

5. Squash fold.

6. Completed Base Fold II.

## BASE FOLD III

1. Valley fold

2. Valley fold

3. Squash fold

4. Turn over

5. Squash fold.

6. Valley fold, unfold.

Valley folds, unfold

8 Valley fold, unfold.

9 Pull in direction of arrow, folding inward at sides.

Appearance before completion of fold.

11 Fold completed Turn over.

12. Valley folds, unfold

13 Valley fold unfold

14 Repeat, again pulling in direction of arrow.

15 Appearance before completion

16 Completed Base Fold III

## FLYING FOX

1. Start with Base Fold III, pull open in direction of arrows.

2. Squash fold as shown

3 Cut, then unfold

4 Pleat folds on both sides.

5 Squash folds

6 Valley fold

7 Valley fold in half, then rotate form.

8. Inside reverse folds front and back.

9 Inside reverse folds front and back

10 Again, inside reverse folds front and back.

11 Now outside reverse folds front and back.

12 Valley folds front and back.

13. Outside reverse fold

14. Pleat fold.

15 Inside reverse fold

16 Cuts as shown, then valley folds for "ears."

17 Squash fold "ears" to open.

18 Valley fold "wings" front and back

19 Completed Flying Fox

## WILD DUCK

1 Valley fold square in half, diagonally.

2 Valley folds to half of baseline, front and back.

3 Valley folds front and back, and squash fold as you go.

4 Cuts as shown

5 Now mountain folds front and back.

6 Inside reverse fold

7 Another inside reverse fold.

8 Inside reverse fold again.

9 Valley folds, front and back.

10 Mountain fold, to form "tail" end.

11. Outside reverse fold

12 Outside reverse fold

13 Outside reverse fold

14 Completed fold, see close-ups for head detail.

15 Pul to sides and flatten.

16 Pleat fold

17 Return to full view

18 Pleat fold "wings" front and back.

19 Completed Wild Duck.

## FLYING DRAGON

Start with Base Fold III, inside reverse folds

2. Valley fold

3 Valley folds and squash folds.

4 Valley folds

5 Make cuts, then mountain folds.

6 Cut point as shown, then turn to other side.

7 Valley folds

8 Make all cuts to front layer as shown here, then valley fold cut parts.

valley fold in half

10 Crimp fold, and  
inside reverse fold.

11 Cut and valley  
unfold. Outside  
reverse folds front  
and back.

Cuts on both folds,  
then valley folds  
to sides.

13 Valley folds.

14 Cuts and valley folds  
front and back.

15. Valley folds both sides, then see close-up views for next steps

16. Pleat fold.

17 Valley fold both sides

18. Valley fold both sides.

19 Back to full view.

Mountain folds both sides

21 Completed Flying Dragon

# PHOENIX

## PART 1

1 Start with a square sheet cut diagonally, valley folds and crease, then unfold

2 Valley folds again and crease, then unfold

3 Pinch corners together, folding inward along dashed lines.

4 Valley folds.

5 Valley folds.

6 Mountain folds

7 Pleat fold

8. Pleat fold.

9 Mountain fold in half, and rotate form.

10 Pull point downward and crimp to position "head."

11 Part 1 (front) of phoenix, ready for head detail (part 3).

## PART 2

Start with a square sheet cut diagonally; valley fold.

2 Inside reverse fold

3. Make double cuts for width as shown

4 Valley fold the first layer.

5 Completed part 2 (back) of phoenix.

## PART 3

1 Cut 1/9th square of origami paper, and make Base Fold I.

2 Mountain fold in half

3 Squash fold both sides, outside reverse fold tip.

4 Valley fold both sides

5. Completed part 3 ("head" section) of phoenix.

# TO ATTACH

1 Join parts 1 and 3 together, apply glue.

2 Cut off flap as shown

3 Join combined parts 1 and 3 with part 2 as shown, and apply glue to secure

4 Completed Phoenix

# PEGASUS

## PART 1

1 Start with Base Fold III and valley fold front and back

2 Cut through layers, valley fold front and back again.

1 Valley fold top layer

4 Cut off corner, as shown, then valley fold layer back

5 Valley fold form in half.

6 Mountain fold front and back layers; inside reverse fold. Rotate.

7 Valley folds front and back.

8 Pleat folds front and back.

9. Pull front "leg" outward and in direction of arrow, squash into position.

10. Outside reverse fold

11. Valley fold

12. Make cuts in layer as indicated

13. Open cut layers in direction of arrows. Valley fold in half.

14. Valley fold to crease, then outside reverse fold lower layer only.

15 Pull paper out from inside of reversed layer and flatten to form "head."

16 Valley fold and cut tip. See close-ups for "head" detail.

17 Cut off other tip.

18 Partially cut through both sides as shown.

19 Open upper folds in direction of arrows, and outside reverse fold tip to form "mask."

20 Valley fold both sides.

21 Mountain fold both "ears" into head section

22 Return to full view

23 Valley fold "mane" to one side

24 Make cuts through layers as indicated

25 Valley fold "wings" front and back

26 Completed part 1 (front) of Pegasus

## PART 2

1 Start with Base Fold III, then inside reverse folds.

2 Valley folds

3. Valley fold

4 Valley folds

5. Valley fold in half and rotate.

6 Mountain folds front and back.

7 Inside reverse folds front and back.

8 Outside reverse fold

9 Outside reverse fold

10 Outside reverse fold to finish "tail."

11 Inside reverse folds front and back

12 Completed part 2 (rear) of Pegasus.

## TO ATTACH

1 Attach parts 1 and 2 of Pegasus,  
and glue to hold.

2 Completed Pegasus

# UNICORN

## PART 1

1. Start with Base Fold II. Valley fold in half.

2. Valley fold. Repeat behind.

3. Inside reverse fold.

4. Outside reverse fold  
outside layer only.

5. Valley fold

6. Cuts and valley  
unfolds.

7. Valley fold.

8. Unfolds and valley  
fold.

9 Cuts as shown

10 Unfold and return to Step 8 position.

11 Put a single layer to each side.

12. Valley folds front and back

13 inside reverse fold

14. Outside reverse fold.

5 Cuts as shown

16 Mountain folds

17 Outside reverse folds,

18 Pleat folds

19 Pleat fold

20 Tuck both side flaps inside,

21 Cuts and valley fold

22 Valley fold

23 Valley fold

24 Crimp folds

25 Cut edge as shown

26 Completed part 1  
of Unicorn.

## PART 2

1 Start with Base Fold III  
Valley fold

2 Cuts as shown  
through all layers and  
valley folds

3 Turn over  
to other side

4 Valley folds.

5 Mountain fold

6 Mountain fold in half,  
then rotate.

7 Inside reverse folds front and back.

8 Inside reverse folds front and back.

9 Inside reverse fold

10 Inside reverse fold

11 Outside reverse fold

12 Inside reverse fold.

13. Completed part 2 of Unicorn.

## TO ATTACH

Join both parts together. Apply glue to hold and separate legs for standing.

2 Completed Unicorn.

# SPHINX

## PART I

1. Start with Base Fold III.  
Valley fold.

2. Cut as shown.

3 Valley fold.

4 Rotate

5 Outside reverse fold

6 Make cuts to both sides.

7. Valley fold both sides

8 Tuck tips behind front layer.

9 Inside reverse folds  
front and back.

10 Mountain fold  
both sides.

11 Valley fold  
both sides

12 Valley fold  
both sides.

13. Mountain fold  
both sides.

14 Mountain fold  
both sides

15 Valley fold both sides.

16 Inside reverse folds both sides.

17 Inside reverse folds both sides.

18 Inside reverse fold

19 Outside reverse folds.

20 Outside reverse folds both feet.

21 inside reverse fold

22 Cut top layer and valley unfold.

23 Cuts and valley unfolds

24. Valley fold.

25. Cut and valley folds.

26 Outside reverse fold

27. Inside reverse fold

28 Valley fold both sides

29 Completed part 1 of Sphinx.

30. Or, with wings forward.

## PART 2

1. Start with Base Fold II and valley fold

2. Turn over to the other side

3. Make cuts and mountain folds

4. Valley folds

5. Mountain fold

6. Mountain fold in half and rotate.

7 Inside reverse fold front and back.

8 Inside reverse folds both sides.

9 Pull and crimp into position.

10 Mountain fold both sides.

11 Outside reverse folds.

12 Inside reverse fold.

13 Valley unfolds

14 Outside reverse folds both feet.

15 Completed part 2 of Sphinx.

## TO ATTACH

1. Join both parts together as shown and apply glue to hold

2. Completed Sphinx.

# CENTAUR

## PART 1

1. Start with Base Fold II  
Inside reverse folds.

2. Valley folds both sides

3 Valley folds

4 Peat folds

5 Valley fold

6 Valley fold in half

7 Rotate

8 Outside reverse fold

9 Cut outer edge only, as shown.

10 Valley fold front and back.

11 Valley fold front and back.

12 Mountain fold

13 Mountain fold

14 Cut as shown

15 Outside reverse fold

16 Outside reverse fold

17 Outside reverse fold

18 Inside reverse fold

19 Cut and mountain fold. Repeat behind.

20 Turn over to other side.

21 Mountain fold

22 Mountain fold

23. Mountain fold

24 Valley fold

25 Pull and squash fold.

26 Completed part 1 of Centaur.

## PART 2

1 Start with Base Fold (1)  
Valley fold.

2 Turn over to other  
side

3 Cuts and mountain  
folds

4. Valley folds

5 Mountain fold

6 Mountain fold in half,  
then rotate.

7 Inside reverse folds  
front and back.

8 Inside reverse folds  
front and back.

9 Outside reverse fold.

10 Outside reverse fold.

11 Outside reverse fold

12 Inside reverse fold.

13. Complete part 2 of Centaur.

## PART 3

1 Valley fold 2" by 5" (5 by 13 cm) sheet.

2 Inside reverse fold

3. Cut as shown.

4. Cuts and mountain fold front and back.

5 Mountain folds front and back.

6 Inside reverse fold

7 Complete part 3 of Centaur.

## TO ATTACH

1 Join all parts together as shown. Apply glue to hold.

2 Completed Centaur

# HYDRA

## PART 1

1. Start with Base Fold II. Cut front layer only, as shown.

2 Valley fold

3 Inside reverse folds

4 Cut as shown, then valley fold.

5 Cut and valley fold.

6. Valley fold

7. Cut and valley fold.

8 Turn over to other side

9 Valley folds

10 Cut as shown, front flap only.

11 Mountain folds.

12 Mountain folds

13 Mountain folds

14. Mountain folds

15. See close-ups for detail.

16. Inside reverse fold

17. Valley fold.

18. Valley fold.

19. Valley fold.

20. Pull and squash fold into place.

21. Valley fold both sides.

22. Valley fold both sides.

23. Cut as shown and valley fold to sides.

24. Turn over to other side.

25. Cut edge as shown.

26. Inside reverse fold.

27. Valley folds out to sides. Turn over.

28. Return to full view

29. For other "heads," repeat Steps 16 through 28. Valley folds.

30. Outside reverse folds.

31. Outside reverse folds.

32. Outside reverse folds.

33 Inside reverse folds

34 Mountain fold in half.

35 Completed part 1 of Hydra.

## PART 2

1 Start with Base Fold III. Cuts to top layer

2 Valley fold

3 Inside reverse folds

4 Cut, then turn over to other side.

5 Valley fold both sides

6 Valley folds

7 Mountain fold side flaps.

8 Valley folds.

9 Cuts Valley open to sides.

10 Mountain fold in half, then rotate.

11 Inside reverse folds

12 Inside reverse folds

13 Rotate

14 Pleat folds

15. Pull and squash into place to add curve.

16. Completed part 2 of Hydra.

## TO ATTACH

1. Join both parts together and apply glue to hold. Position heads, and open out figure to stand.

2. Completed Hydra.

## Travel to an incredible world by creating famed figures from ancient tales.

A dragon, a phoenix, Pegasus, unicorns, and other fantastic creatures exist only in myths and legends—or do they? You can make your own beautifully detailed, intricately folded origami versions.

The flying fox appears to soar into the night sky, while a centaur stands proud and regal. There's a fabled sphinx, a spectacular dragon with wings extended, and a wild duck placidly floating along.

From a centaur to a hydra, these imaginative designs are perfect decorations for your home and on gifts.
